

BUILDING HOPE & COMMUNITY FOR GENERATIONS

The Capital Campaign for St. Jude at Leihano

<http://BuildingHope.StJudeHawaii.org>

Over \$2 million – 67%! – already raised towards our \$3 million goal!

This amount comes from 100+ pledges—an average five-year pledged commitment of over \$18,000!

Thank you to our early donors and tireless volunteers for helping us get this far!

The **BUILDING HOPE & COMMUNITY FOR GENERATIONS** campaign projects outlined on the reverse side are shaped by the evolving needs of our parish, and are rooted in our mission to see Jesus Christ in our lives every day and to spread the Good News of his salvation. With larger and more inviting facilities, coupled with adequate space to fulfill our vibrant ministries, we hope that more Catholics in West Oahu see St. Jude as a destination and choose to worship here, continuing to build our vibrant community.

Success will require the participation of a united parish. In the coming weeks, you will receive more information about the campaign in the mail and at Mass. If a parish volunteer contacts you, please receive their call warmly as they request a few minutes of your time to discuss the campaign and the opportunities it presents us as a faith community.

BUILDINGHOPE&COMMUNITYFORGENERATIONS

YES I will WORK!

In recognition of the importance of this historic project, I would like to help St. Jude Parish and Father Khanh by volunteering my time.

Please contact me with available volunteer opportunities.

Please detach and drop off in collection basket or to Parish Office

Proposed Projects

Church & Chapel

Chapel sanctuary platform with glass partition from the church, a combination of the traditional, with its lancet gothic arch, and local features of Hawaiian canoe hale and early Polynesian churches

Parish Hall

Large community space in the main Parish Hall facility will serve as home to church activities and events, broadening our fellowship and creating a stronger sense of community

Community Center

Parish Hall will be accompanied by a Community Center that will accommodate a significant increase in our community outreach efforts, in collaboration with local partners

Rectory

An on-site rectory to be housed within Parish Hall and Community Center building, making our priests more accessible to our community

Meeting & Classrooms

Dedicated space both in the church building and Parish Hall to better serve our faith formation efforts and help fulfill our mission to evangelize and strengthen our faith in the Lord
